

September 2020-2021 ANNUAL REPORT

The Spanish Peaks Community Foundation strategically directs the generous contributions of our members to support and enhance the quality of life of those living in the greater Big Sky area.

LETTER FROM THE PRESIDENT

“I live in Big Sky.” This is a response I hear often from our Spanish Peaks Mountain Club members. It speaks to a shared belief to purposely connect with and give back to the Big Sky community.

Our SPMC members are at the heart of our foundation and we are measured by their compassion. With their support, the SPCF has awarded over \$1,539,179 in grants to Big Sky nonprofits over the last 10 years. In 2020 we gave an additional \$250,000 to the Big Sky Relief Fund. That’s over \$1.5 million and counting to the Big Sky community over our 1st decade!

It has been a privilege to be stewards of your generosity, as we support educational, environmental, arts, and community service initiatives with financial capital and collaboration. Together, we celebrate these partnerships.

On behalf of the board of the Spanish Peaks Community Foundation, thank you for all you do. You make it possible for us to support local nonprofits and to be at the heart of what matters most in the Big Sky community. As this community continues to face challenges with employment, affordable housing, water quality, development, and the demands of social services, we will continue to support leaders and nonprofits in our community who are working towards a better Big Sky for today and future generations.

Together we are the Spanish Peaks Community Foundation. Together we are motivated by our capacity to impact change and to have fun while doing it.

With gratitude,
