SEPTEMBER 2021-SEPTEMBER 2022

— MISSION STATEMENT —

The Spanish Peaks Community Foundation strategically directs the generous contributions of our members to meet the needs and support the quality of life of those living and working in the Big Sky community.

This year the Spanish Peaks Community Foundation set out with a goal to build community amongst Spanish Peaks Members and highlight the important work of Big Sky nonprofits....all while having a good time!

Looking back on this past summer, I know that we hit the mark. From decorating golf carts and matching patriotic outfits at the July 3rd Golf Classic, to toasting our Black Diamond donors, playing 80s themed pickleball, enjoying music at the Highlands outdoor concert, to gathering at Member Socials - we had an absolute ball!

This is OUR community at its best; coming together to celebrate our membership, to acknowledge our shared sense of place, and to affect change.

Big Sky is truly a special place and the commitment and generosity of our SP Members is making a difference. Over the last 12 months, SPCF has awarded **\$462,950** to local nonprofits: 45.6% to community services, 26% to education and youth services, 17.6% to environmental and recreational services, and 10.8% to the arts. We appreciate the hardwork and dedication of our Big Sky nonprofits that serve identified community needs.

On behalf of the SPCF Board of Directors, I would like to thank you for being a part of our favorite moments together and greater community impact.

I hope you enjoy all of those moments captured in our 2021-2022 annual report.

This truly is **OUR community** at its best and we are just getting started.

With Gratitude,
